DESCRIPTION

The Princess C48 Open blends sporty performance with refined elegance, setting a new benchmark for center-console yachts. Its open layout features a spacious cockpit, comfortable lounging areas, and sunbeds that create an atmosphere of lightness and seamless connection with the sea. The central hardtop provides shade, while the smart ergonomic design ensures easy movement throughout the deck. The interior reflects Princess's signature attention to detail, featuring premium materials, teak finishes, and soft furnishings that evoke comfort and craftsmanship. Below deck, a beautifully appointed salon with a dining area, a generous cabin, and a modern bathroom make the C48 Open ideal for both day cruising and short getaways. Powered by Michael Peters' patented SVVT hull, the yacht delivers exceptional performance, stability, and efficiency at all speeds. The Princess C48 Open is a perfect harmony of power, freedom, and sophistication — created for those who appreciate the sea and style in every detail.
