Fuel capacity	4100 l	Price	2 090 500 (VAT excl.)
Water capacity	873 l		

DESCRIPTION

There is an undeniable presence about the new S66. Her slender streamlined form somehow also exudes a predatory air. A lightweight deep-V hull delivers on this promise with breath-taking agility up to 38 knots. When at anchor, peacefulness descends onto her generously appointed

deck areas, which include a spacious foredeck seating area, whilst her hydraulic bathing platform and 3.3m tender garage become the perfect base for watersports. Captivating on the outside, she is distinctively cool inside. Her sociable galley aft arrangement, with opposing open-plan dining area, has sliding doors and a fully opening electric window leading out to the cockpit to create an al fresco bar. Below deck eight guests are accommodated across four cabins, three of which are en suite.

”

EQUIPMENT

DECK FITTINGS

- Teak-laid transom platform, cockpit deck, sportbridge, sportbridge stairs and steps to side decks
- Self-stowing 40kg/88lbs Delta anchor with 60m of chain
